

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the)
Certificate of Service Authority and)
Accompanying Tariff of Global Crest)
Communications, Inc. d/b/a Dimensions)

Case No. XD-2005-_____

**MOTION TO OPEN CASE AND CANCEL
CERTIFICATE OF SERVICE AUTHORITY AND ACCOMPANYING TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves that the Commission open a case and cancel Global Crest Communications, Inc. d/b/a Dimensions' certificate of service authority to provide interexchange telecommunications services and its tariff. In support of its Motion, Staff respectfully states as follows:

1. In June 2001, the Missouri Public Service Commission (Commission) issued its order approving the certificate of service authority of Global Crest Communications, Inc. to provide intrastate interexchange telecommunications services in Case No. TA-2001-568. The company's tariff, P.S.C. MISSOURI TARIFF NO. 1, was approved in the same case. Subsequently, in Case No. TO-2002-379, the Commission recognized that Global Crest Communications, Inc. intended to use the d/b/a of "Dimensions" in Missouri.

2. The web site of the Office of the Missouri Secretary of State reports that the certificate of authority granted to Global Crest Communications, Inc. was revoked January 14, 2002. The company appears to have lost its certificate of authority for reasons other than failing to file its Annual Registration Report, because it had only been created seven months before. On January 27, 2004, the company's Missouri registered agent, TCS Corporate Services, Inc., resigned.

3. “Dimensions” is a fictitious name registered to Global Crest Communications according to the records of the Missouri Secretary of State, but the fictitious registration requires no ongoing filing requirements.

4. Global Crest Communications, Inc. is a Florida corporation. The company is reflected as “active” according to the files of the Florida Secretary of State. The contact information for the company as well as its officer is the same as the initial contact information provided to the Commission.

5. At some point after its initial certification, Global Crest Communications, Inc. changed its mailing address to that of Telecom Compliance Services in Alpharetta, Georgia. In its 2002 Annual Report, the company used that address for its contact address. The Commission sends correspondence for Global Crest Communications, Inc. to that address. However, the Telecom Compliance Services representative listed as the company’s contact in the most recent Annual Report filed by the company at the Commission has indicated that Telecom Compliance Services no longer represents the company and has no way to contact the company.

6. The company has provided two telephone numbers to the Commission. Both the “800” number in its tariff and the local Miami number reflected in the Commission’s Electronic Filing and Information System are not in service.

7. Global Crest Communications, Inc. d/b/a Dimensions failed to submit its 2003 Annual Report to the Commission. It owes a minimal assessment to the Commission for Fiscal Year 2005.

8. No customers have contacted the Commission with complaints about Global Crest Communications, Inc. d/b/a Dimensions since the commencement of the Commission’s EFIS system. In calendar year 2002, based on its annual report for that year, the company had a small

number of customers. Staff is unable to verify whether the company had customers after 2002 and the company cannot be reached. As the company's certificate of authority was revoked in 2002, it should have ceased doing business in Missouri shortly thereafter.

9. The Commission has in its records the mailing address provided by the company:

1720 Windward Concourse, Ste. 250
Alpharetta, GA 30005

However, this is the Telecom Compliance Services address and, as noted above, that entity has no further contact information for Global Crest Communications, Inc. d/b/a Dimensions. In its 2002 Annual Report, in its tariff, and in its current information at the Florida Secretary of State's Office, the company has the address:

12250 Biscayne Boulevard, Suite 703
North Miami, FL 33181

Service of this motion will take place on both addresses, and via certified mail upon the latter address.

10. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410.5 RSMo (Supp. 2004), which provides:

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. 1989).

11. Thus, the Commission has the authority to cancel the certificate of service authority it granted to Global Crest Communications, Inc. d/b/a Dimensions in Case No. TA-2001-568 to provide intrastate interexchange telecommunications services, as well as the

company's tariff, P.S.C. MISSOURI NO. 1. Such an action is supported because the company's authority to do business in Missouri has been revoked by the Secretary of State; because the Commission's staff has been unable to contact the company directly; because any other contacts the Staff has found are also unable to contact the company; and because the company has failed to submit its most recent Annual Report.

12. As the company has no Missouri registered agent, this pleading is being served via regular United States mail upon both addresses listed in paragraph 9 above. Service upon the company's address in Florida will be via certified mail. The Secretary of State of Missouri serves as the company's registered agent for service of process "in any proceeding based on a cause of action which arose during the time the foreign corporation was authorized to transact business in this state." Section 351.602.4 RSMo. As the cancellation of the company's certificate relates to a cause arising after the company was no longer authorized to transact business in this state, service under the provisions of Section 351.594.2 is permitted ("A foreign corporation may be served by registered or certified mail, return receipt requested, addressed to the secretary of the foreign corporation at its principal office shown in its application for a certificate of authority or in its most recent annual report, if the foreign corporation: (1) Has no registered agent or its registered agent cannot with reasonable diligence be served; ...").

WHEREFORE, the Staff moves that the Commission cancel the certificate of service authority it granted to Global Crest Communications, Inc. d/b/a Dimensions in Case No. TA-2001-568 to provide interexchange telecommunications services, as well as its accompanying tariff, P.S.C. MISSOURI NO. 1.

Respectfully submitted,

DANA K. JOYCE
General Counsel
